Fee Agreement

Unless covered by insurance benefits, payment is due at the time of service. If payment is not made at the time of service, I will not be able to see you for a subsequent session until payment is received.

Session fees are \$130 per 50-minute session and \$150 for initial intake session, payable by cash, check, or PayPal. If you experience financial hardship, this rate may be lowered on a case-by-case basis.

I have read and understand the fee agreement:
